

Should I send my child to school or keep them at home during the Covid 19 pandemic.

If your child is poorly please think....

Would you have kept your child off school before Covid?

Yes

No

Keep your child off school.

Do they have:

A new continuous cough?

A temperature of over 38° using a thermometer?

A complete loss or change of taste or smell?

Yes

**DO NOT** send your child to school. Stay at home.

Speak to 119 or go to the [www.gov.uk/coronavirus](http://www.gov.uk/coronavirus) website to arrange a Covid test.

Your child and your household must self isolate until you have test results.

No

Does your child have an underlying medical condition?

No

Yes

Seek advice from the child's specialist team, consultant or GP before sending them to school.

Children who are usually well with:

Runny nose

Sore throat without a temperature

Mild cold

**CAN go to school AS NORMAL**
